

Molkim[®]

Offers Innovative Solutions

**Integration of AI adaptations to the
fully automated systems**

Cluster 4_Digitalization

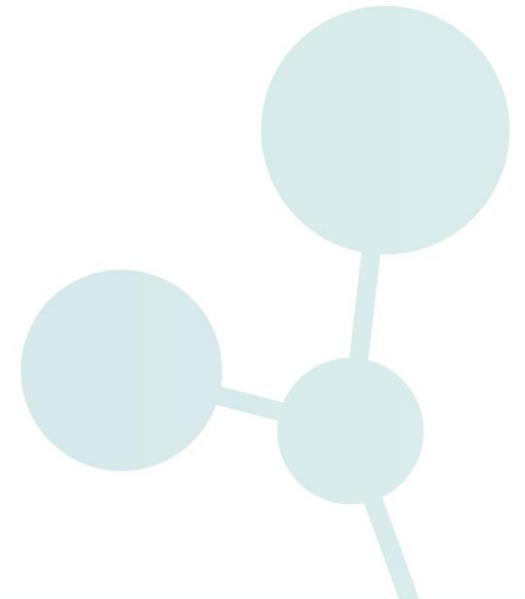

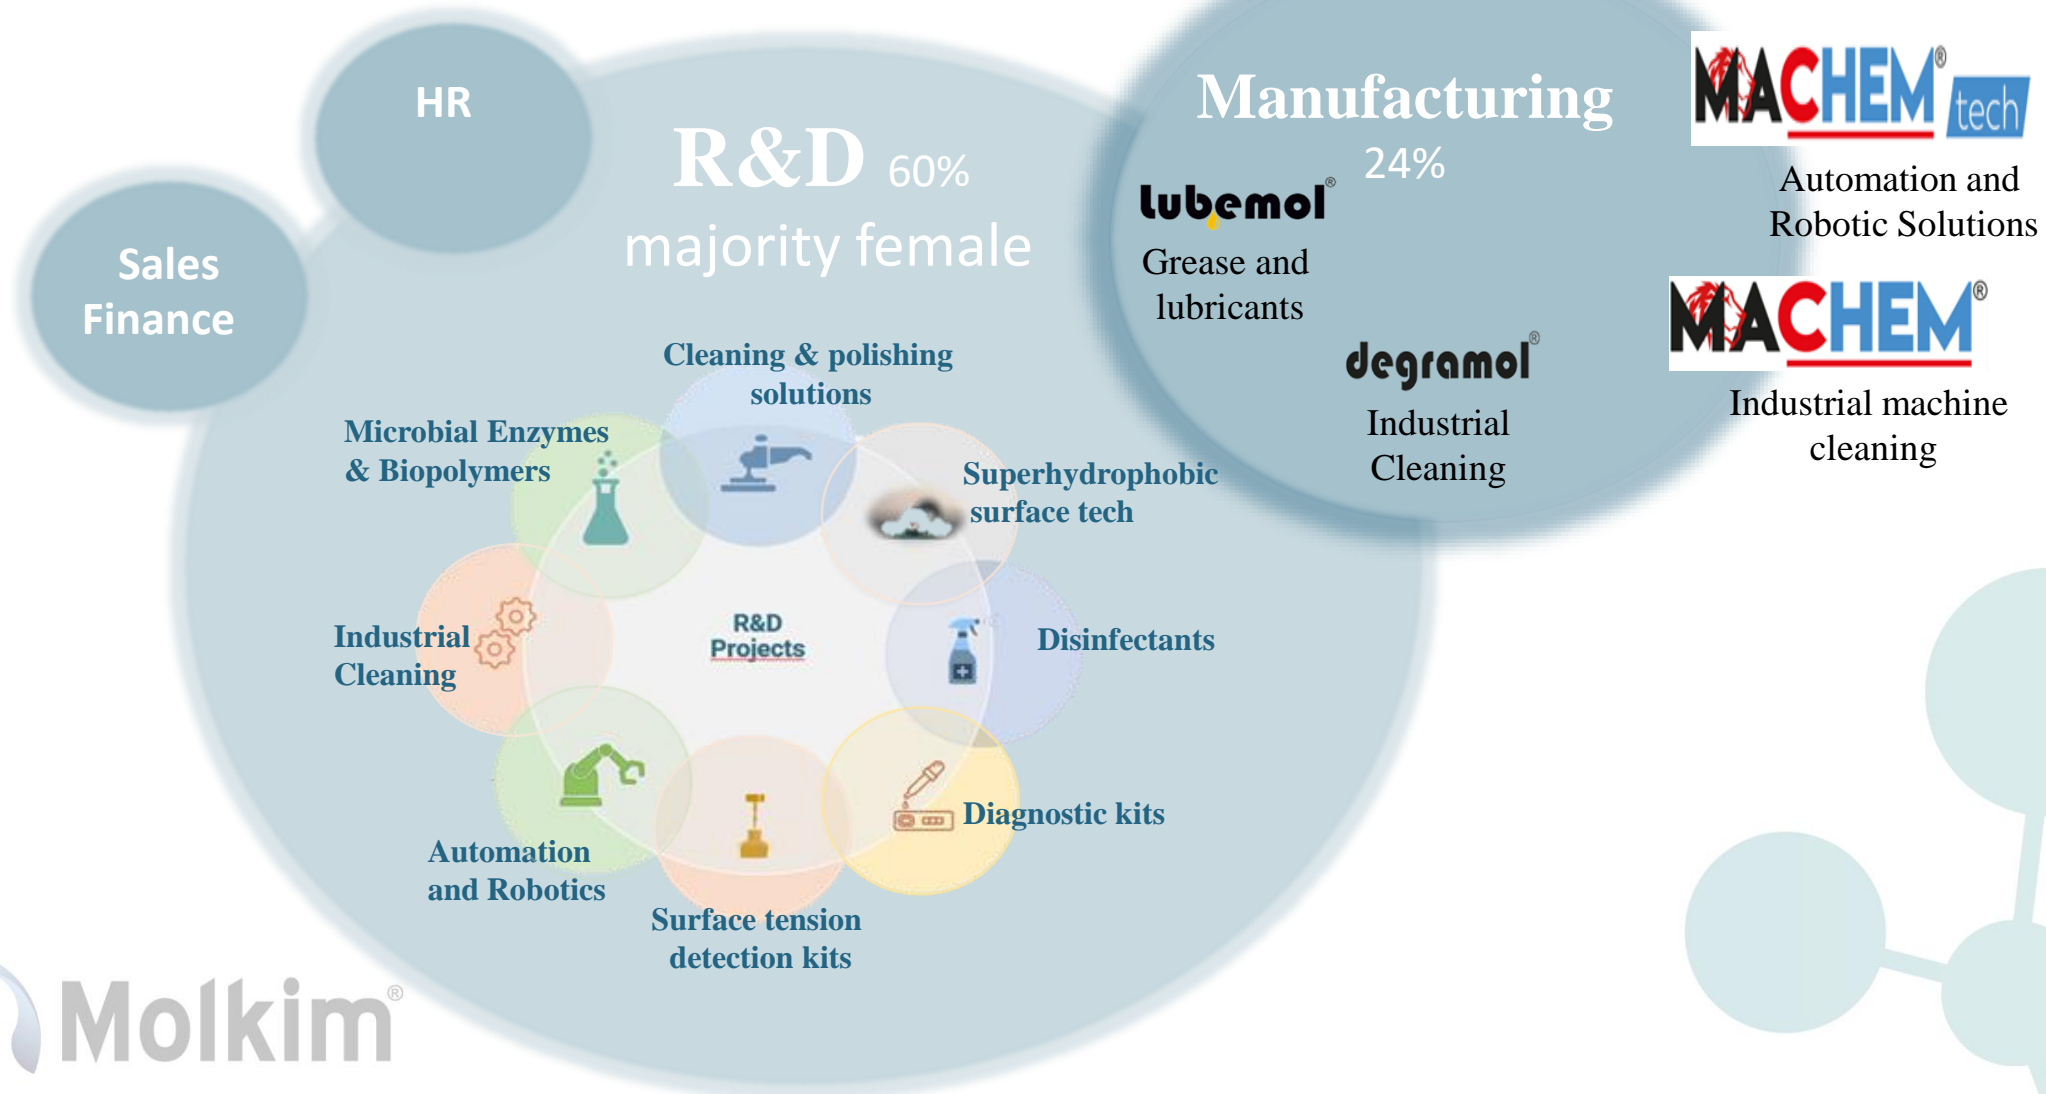

Fatih Bora KESKİN
CEO

11th European Networking Event

Düsseldorf, 15-16.Feb.2024

**We Think.
We Believe.
We Succeed.**

We are an innovation-driven company

Our State of Art Laboratories and Equipments

CHEMISTRY AND TRIBOLOGY
LABORATORY

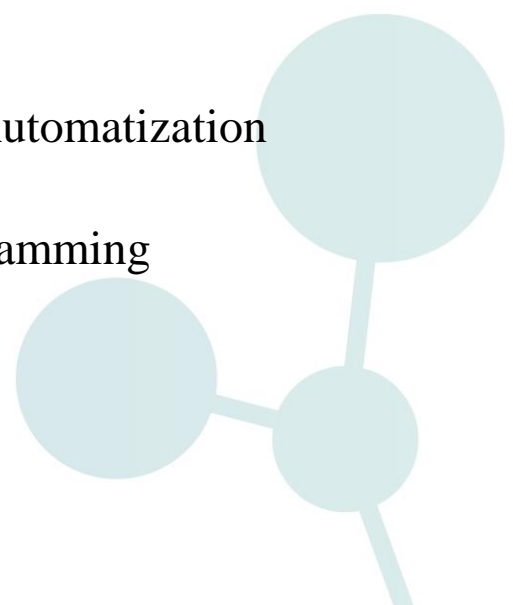

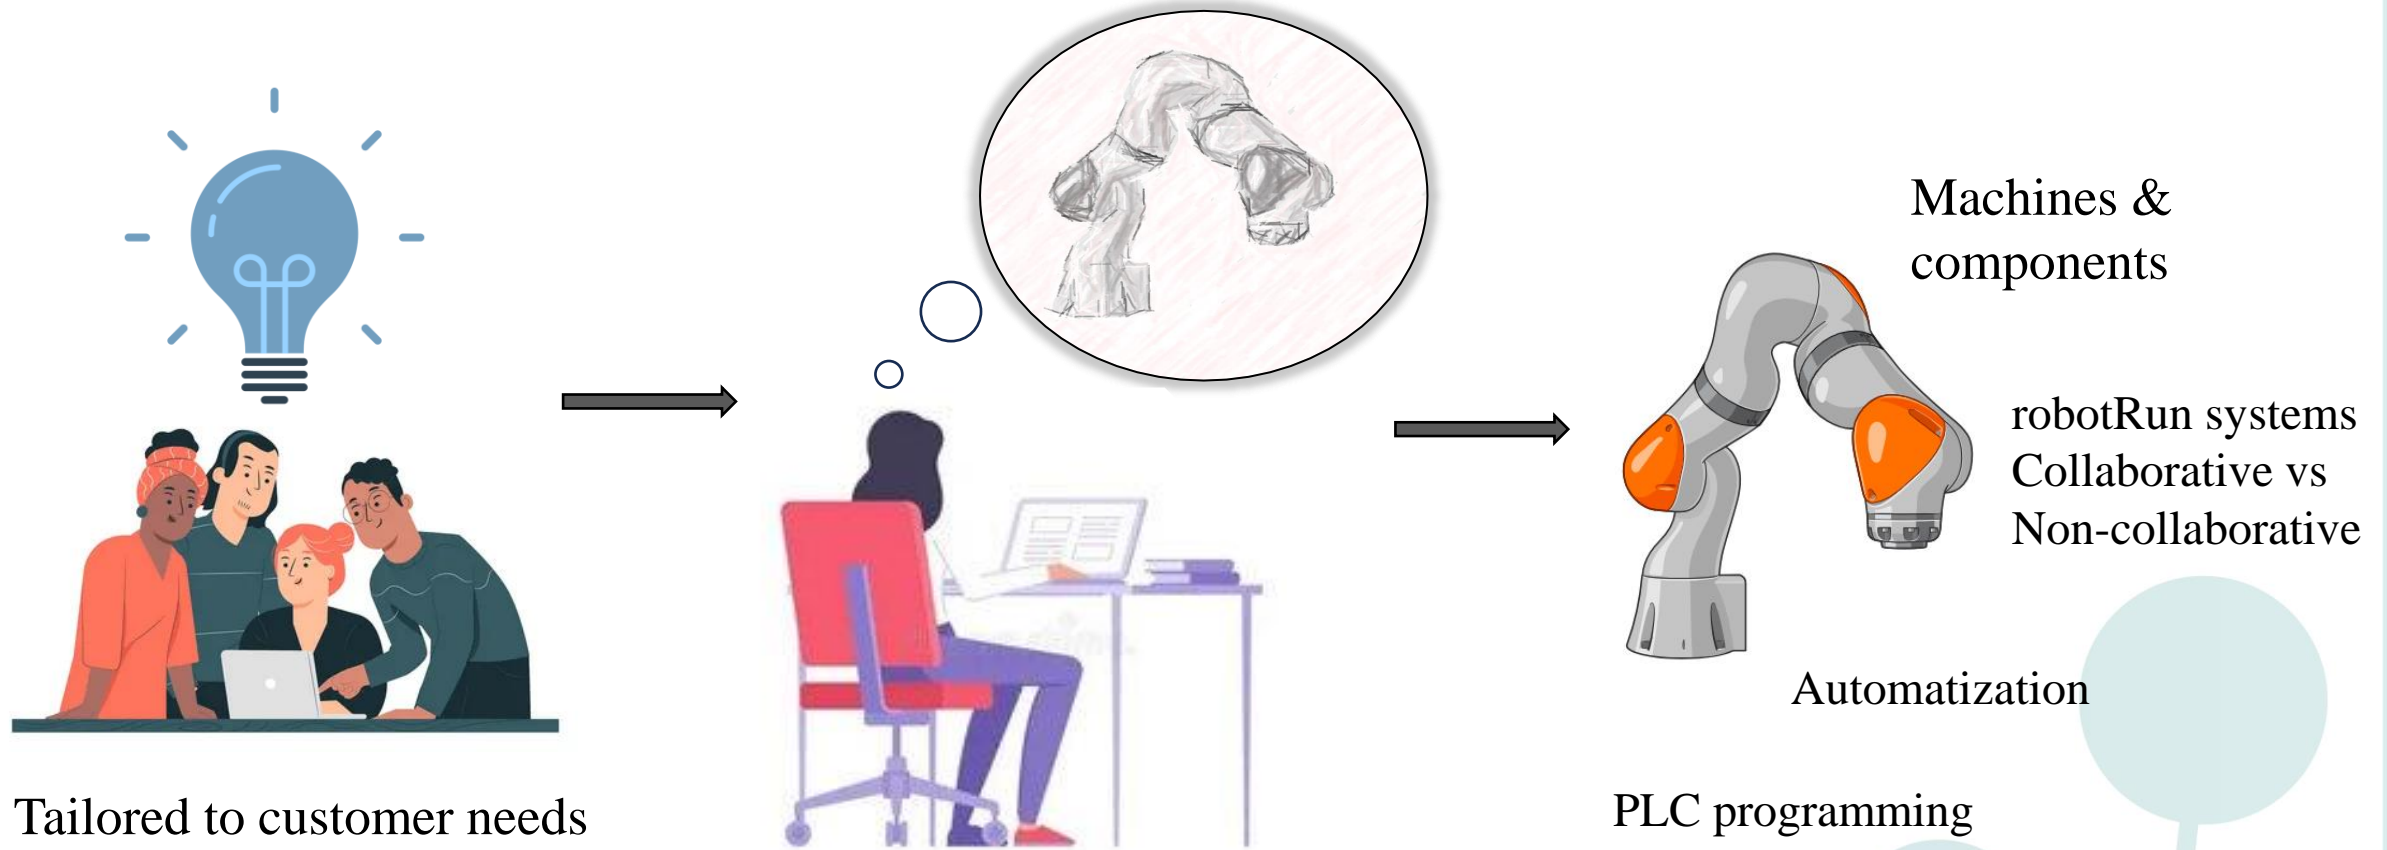

MACHINE MANUFACTURING

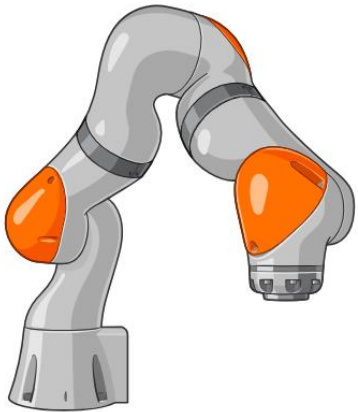

BIOTECHNOLOGY LABORATORY

WE conceptualize, design and manufacture

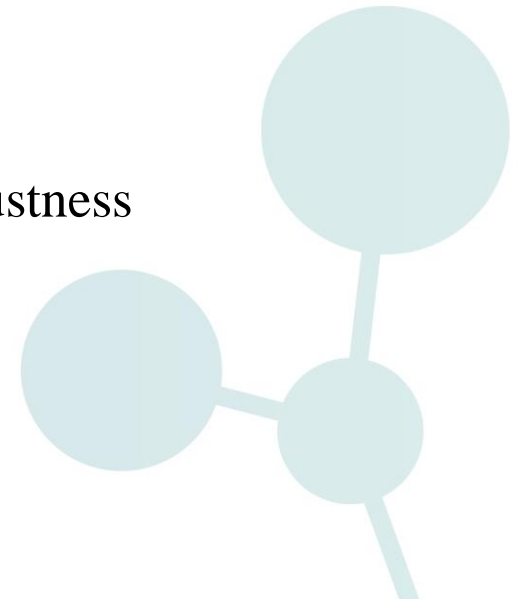

The missing link(s) is the integration of AI adaptations

We are looking for partners to help us on integration of AI;

- fine tuning to mimic human capabilities; AI-based optimization algorithms and machine learning
- compute better solutions to adapt and increase efficacy, robustness

Let's discuss more!

Fatih Bora Keskin
