

BEYOND UNIVERSEH

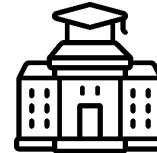

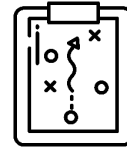

Connect with our visions and communities

Successful R&I in Europe - February 2024

Objectives

Under the H2020 framework

1. Development of the research and innovation dimension of the ‘European Universities’

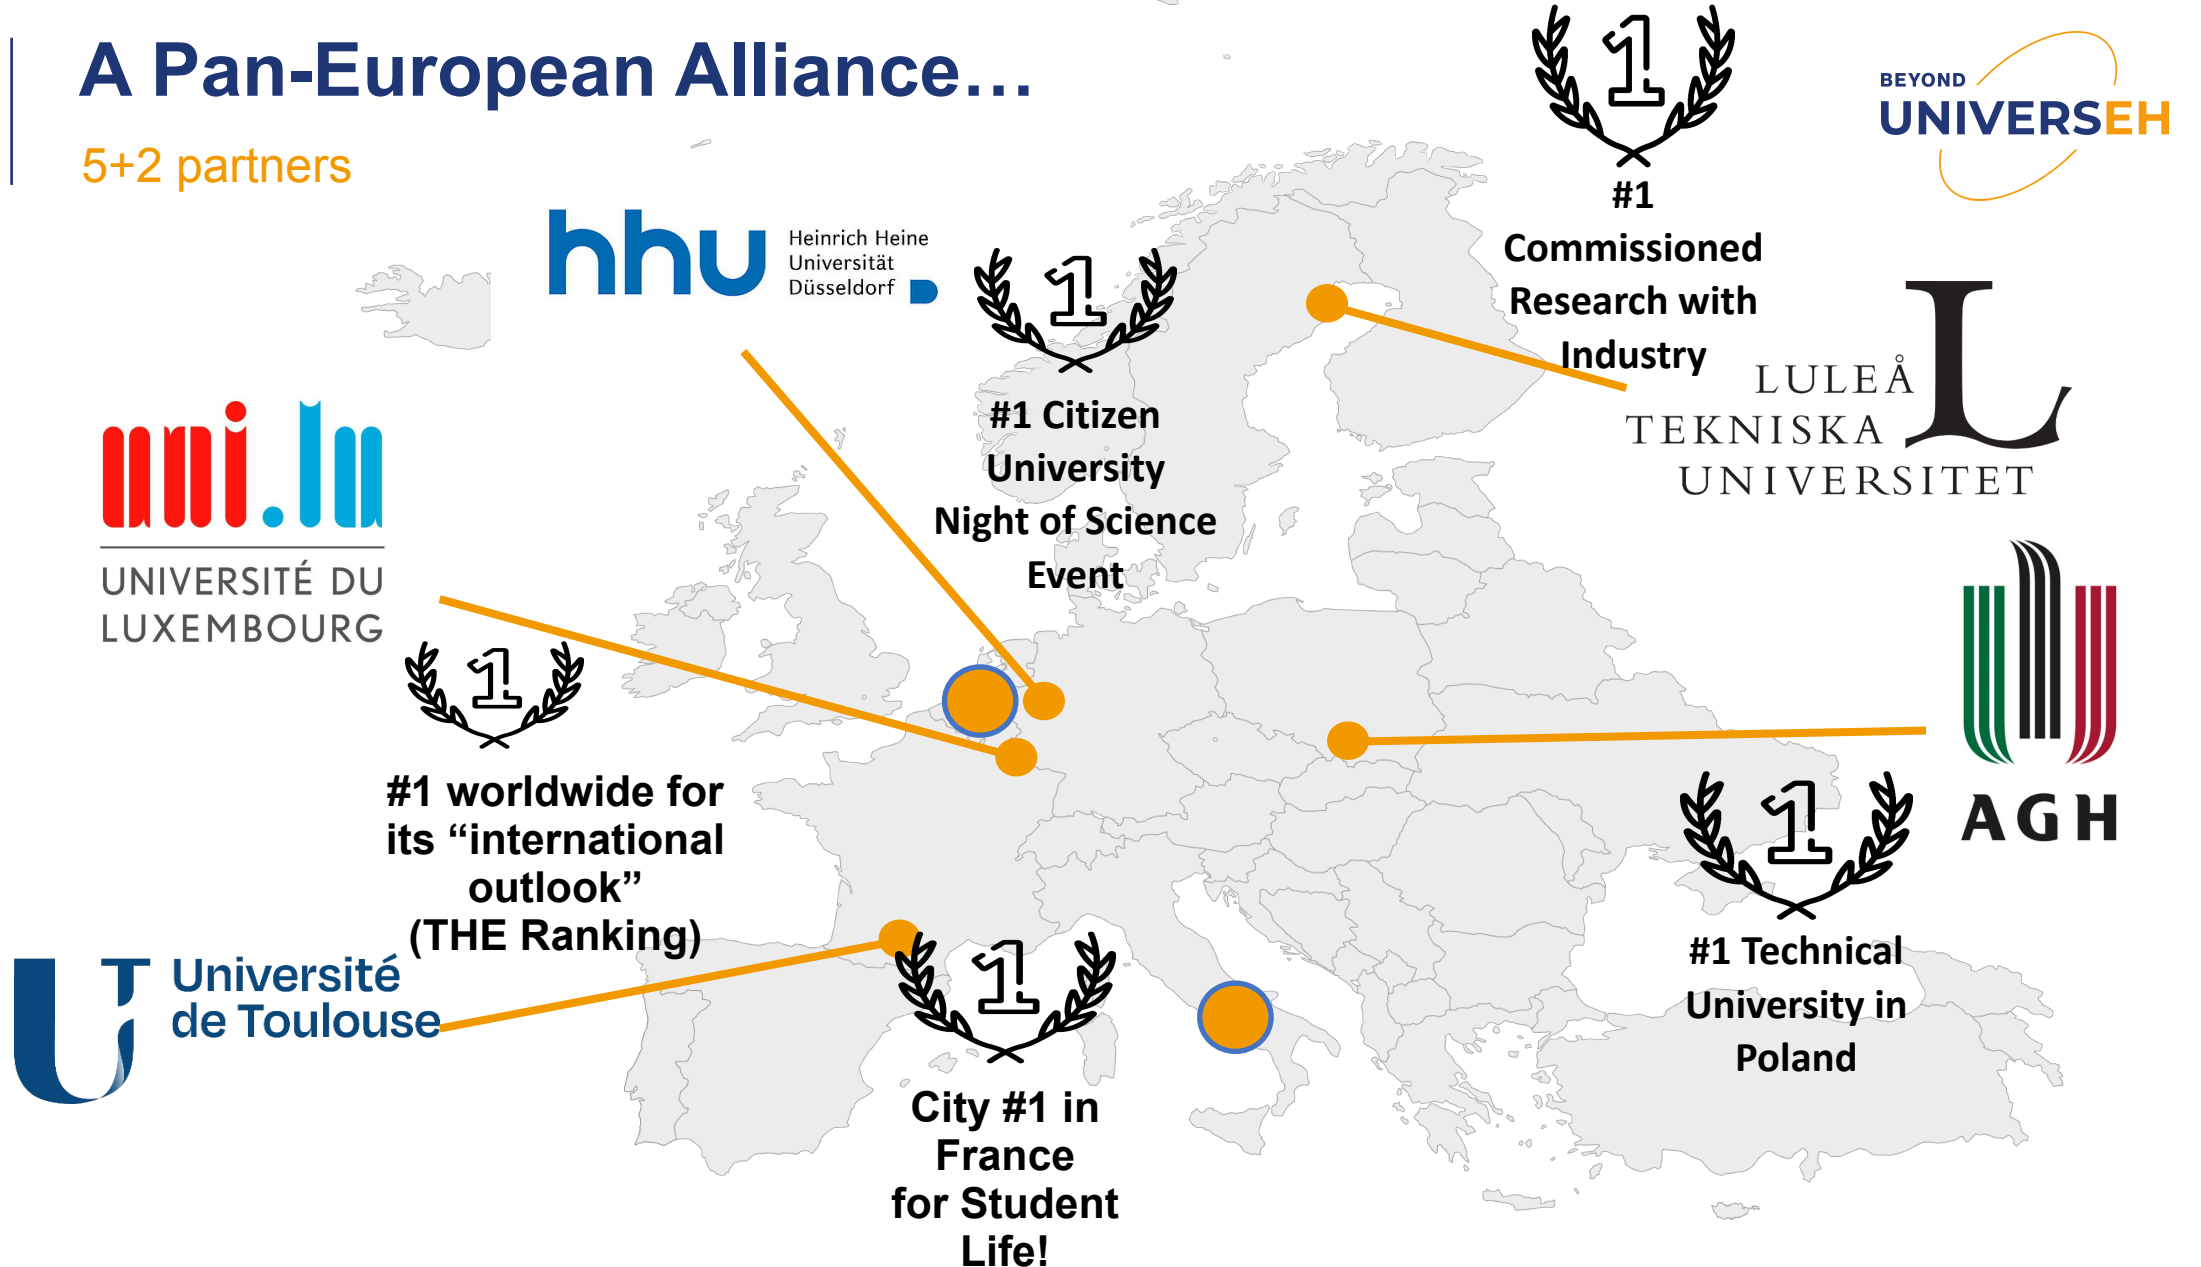

2. Development of joint strategies or vision documents, and concrete action plans

3. Cooperation among European Universities and development of policy recommendations

A Pan-European Alliance...

5+2 partners

Beyond UNIVERSEH Work Packages

6 WPs

WP5
Outside the Lab

WP2
Research roadmap for
2035 & vision for
2050

WP4
UNIVERSEH knowledge
transfer and innovation
strategy

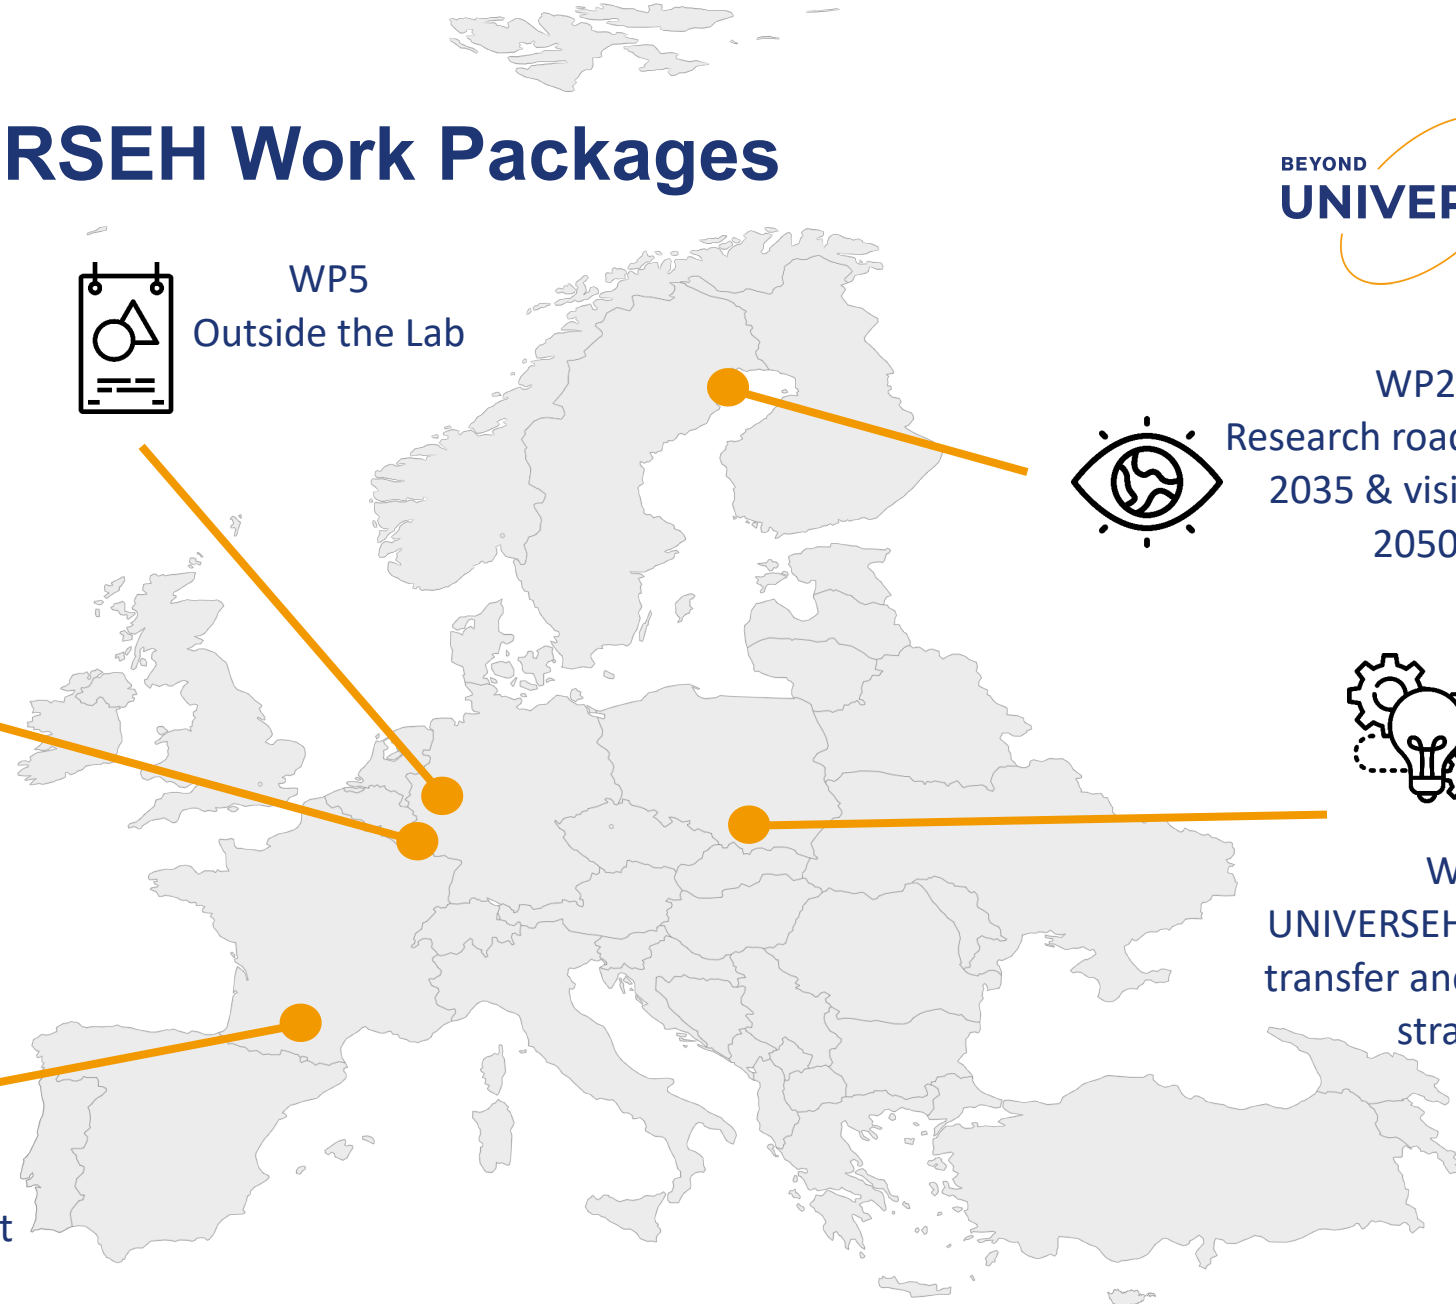

WP6
Dissemination and
collaboration with policy
makers and other
European Universities

WP3
Towards a UNIVERSEH
single lab & research
community

WP1
General Management
& Coordination

WP3

Towards a UNIVERSEH single lab and research community

Tell me about your lab!

How is your lab and work inclusive?

What research portal works best for your research?

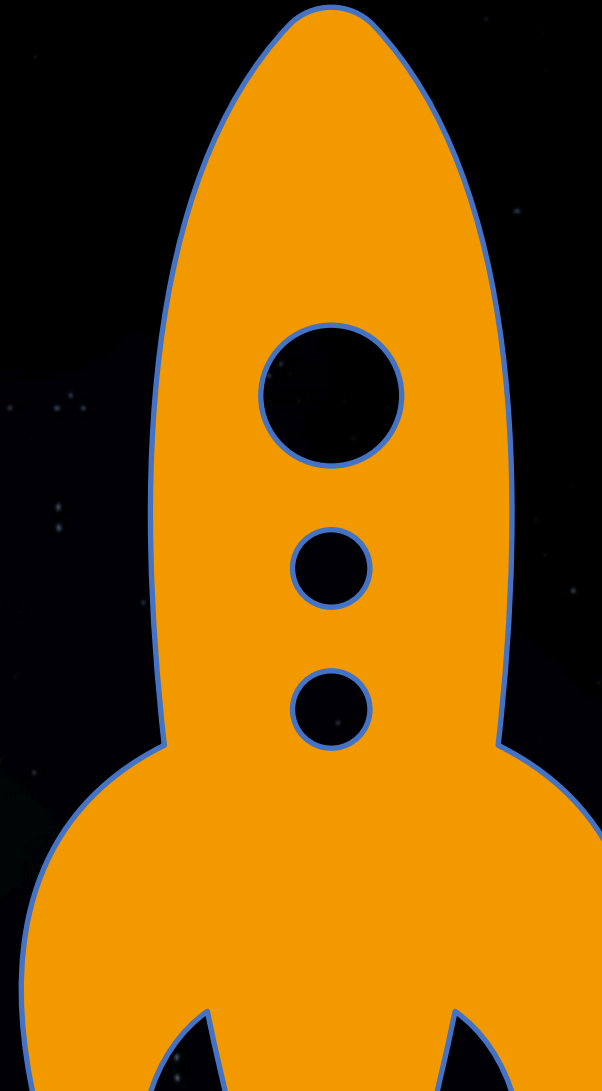

WP4

UNIVERSEH knowledge transfer and
innovation strategy

Tell me about your involvement with spin offs!

How do you work with university researchers?

WP5

UNIVERSEH outside the lab-with and in society

Please participate in our Citizen Science Projects!
